This is to certify that the thesis titled 'GROWTH AND PRODUCT FORMATION IN PLANT CELL CULTURE OF Holarrhena antidysenterica' submitted by AMULYA KUMAR PANDA has been prepared under our supervision in conformity with rules and regulations of the 'INDIAN INSTITUTE OF TECHNOLOGY, DELHI'. The research report and results presented in the thesis have not been submitted for any degree in any other University.

SAROJ MISHRA

V.S. BISARIA

ACKNOWLEDGEMENTS

I acknowledge with a deep sense of gratitude to my project supervisors Dr. V.S.BISARIA and Dr.SAROJ MISHRA for their inspirations and invaluable suggestions and advices during the course of this work. Their co-operation and timely guidance were instrumental in presenting this work in the form of thesis. I shall be highly grateful to them.

I am extremely grateful to Prof.S.N.Mukhopadhyay, Head, BERC for providing the necessary facility for my research. I am also thankful to Prof.T.K.Ghose, Prof.P.Ghosh, Prof.K.B. Ramachandran, Dr.Vikram Sahai, Dr.P.K.Roychoudhury and other faculty members of BERC for their advice and interest in this project.

I am grateful to Dr.S.S.Bhojwani, Dept. of Botany, Delhi University for his advices and co-operation during the entire period of this investigation. I am also grateful to Dr.K.K.Bhutani, Scientist, R.R.L.(CSIR), Jammu for his help and kind gift of pure conessine and *Holarrhena* alkaloids. I thank sincerely Dr.Raj Mohan Vaid, Dept. of Chemistry, IIT Delhi for his advice.

I am grateful to all the staff members of BERC for their help and co-operation, particularly Mr.Shiv Singh and Mr.V.K.Ghosh for their suggestions and advices.

I sincerely thank Nandini for her immense help and co-operation during the entire period of my research. I thank Sreekrishnan for his untiring help and moral support. I also thank Radhika and Aradhana for their help and co-operation.

Finally I thanks my friends Ajit Mitra, Shakti Mohanty, P.C.Ray and M.M.Shende for their support and keeping me cheerful in my hard days.
