CERTIFICATE

I am satisfied that the thesis presented by Mr. P. Ranga Rao is worthy of consideration for the award of the degree of Doctor of Philosophy and is a record of the original bonafide research work carried out by him under my guidance and supervision and that the results contained in it have not been submitted in part or full to any other University or Institute for award of any degree/diploma. I certify that he has pursued the prescribed course of research.

ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to Dr. K.L. Nadir for his constant encouragement and excellent stimulating guidance throughout the course of this research work. But for his ability, enthusiasm and keen interest in the work, the completion of this thesis would have been an impossible task. My thanks are also due to Prof. (Mrs.) Purnima Mathur, Head, Department of Humanities and Social Sciences, Indian Institute of Technology, Delhi, for her generous help during my stay in this department. I would like to express my sincere gratitude to Dr. S.N. Jha (now Assistant Professor in Centre for Political Studies, School of Social Sciences, Jawaharlal Nehru University, Delhi) with whom I was associated at the initial stage of my research work. I am grateful to Dr. M.P. Jain, Assistant Professor in English language, for his invaluable suggestions and advice regarding the language of my thesis.

My thanks are due to the respondents in the field area for spending time with me till late nights to enable me to interview them. My thanks are due to those Maoist leaders who have provided me access to the

rare documents of the party and who have helped in building rapport with the respondents. My thanks are also due to all the officers who helped me in my data collection.

I owe much to my parents and to my elder brother Shri P.V. Rama Rao, whose unconditional love and support allowed me the freedom to be a researcher. My thanks are due to my friends and relatives who have always supported me morally and financially in times of distress and difficulties.

My thanks are due to Mr. J.S. Bedi for his painstaking typing of the manuscript neatly.

Lastly, my sincere gratitude to my beloved wife Suvarnamala for her co-operation and inspiration for completing this research work.
