CERTIFICATE

This is to certify that the thesis titled 'BIOCONVERSION OF CELLULOSIC RESIDUES INTO MICROBIAL BIOMASS PROTEIN BY LIGNOCELLULOLYTIC FUNGUS Coriolus hirsutus' submitted by ATUL K. SRIVASTAVA has been prepared under my supervision in conformity with rules and regulations of the INDIAN INSTITUTE OF TECHNOLOGY, DELHI. The research report and results presented in the thesis have not been submitted for any degree in any other University.

(V.S. BISARIA)

ACKNOWLEDGEMENT

I express my deep sense of gratitude to my research supervisor Dr. V.S. Bisaria for his expert guidance, stimulating discussions, constructive criticism and inspiring encouragement throughout the course of the present investigation.

I am thankful to Prof. Tarun K. Ghose and Dr. G.K. Chotani who provided guidance during early stage of my research work. I also thank Prof. S.N.Mukhopadhyay, Head, BERC for extending all necessary facilities and the faculty members of the centre for their useful suggestions.

I am really pleased to thank Drs. P.K. Mehta, A.K. Dubey, S.K.Gupta, Mr. D.K. Sahoo, Mrs. Nandini and other colleagues for their untiring help and everlasting cooperation. Mr. Amulya Panda deserves a special mention here.

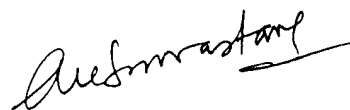

The help from Dr. A.N.Shukla of FRI, Dehradun for providing various cultures of basidiomycetous, is gratefully acknowledged.

It is my pleasure to thank Mr. V.K. Ghosh, Mrs. S.Mathai, Mr. Shiv Singh, Mrs. Renu Sethi, Mr. Mukesh Anand, Mr. J.A. Khan and Mr. Keshav Prasad for their skillful technical assistance during the experimental work.

The unfailing encouragement and inspiration received from Ms. Neelu throughout this programme is highly appreciated.

Mr. A.K. Seth deserves high appreciation for his commendable patience in typing this manuscript so neatly.

Research fellowship awarded by Council of Scientific and Industrial Research, New Delhi is duly acknowledged.

(ATUL K. SRIVASTAVA)
