CERTIFICATE

This is to certify that the thesis entitled "Isolation and Purification of β ,1-4-glucosidase and its Immobilization on Solid Supports" submitted by Mr. Raj Kumar Sachdev has been prepared under my supervision in conformity with the rules and regulations of Indian Institute of Technology, Delhi. The research report and results presented in the thesis have not been submitted for any degree in any other University.

ACKNOWLEDGEMENT

I express my deep sense of gratitude to my research supervisor Prof. T.K.Ghose for his expert guidance, stimulating discussions and continued encouragement throughout the period of this investigation.

I am indebted to all the faculty members of this Research Centre for their valuable help and advice during my stay here.

I wish to extend my thanks to all my friends and colleagues for their help, cooperation and encouragement during the course of this investigation.

I gratefully acknowledge Dr. K.C.Rao for his help in computer simulations.

The technical and supporting staff is also to be thanked for their skillful technical assistance.

(Raj Kumar Sachdev)
