

BIOMASS PRODUCTION FROM BAGASSE HYDROLYSATE

BY

PARBODH SHANKER VISHNOI

THESIS SUBMITTED TO THE INDIAN INSTITUTE OF TECHNOLOGY, DELHI

FOR THE AWARD OF THE DEGREE

OF

DOCTOR OF PHILOSOPHY

BIOCHEMICAL ENGINEERING RESEARCH CENTRE
DEPARTMENT OF CHEMICAL ENGINEERING
INDIAN INSTITUTE OF TECHNOLOGY, DELHI
NEW DELHI-110016

MARCH 1980

CERTIFICATE

This is to certify that the thesis entitled "Biomass Production from Bagasse Hydrolysate", submitted by Prabodh Shanker Vishnoi has been prepared under my supervision in conformity with rules and regulations of the Indian Institute of Technology, Delhi. The research report and results presented in the thesis have not been submitted for any degree in any other University.

(T.K.Ghose)

ACKNOWLEDGEMENT

First and foremost, I wish to express my profound gratitude to my research supervisor Prof. T.K.Ghose, whose expert guidance and continuous encouragement enabled me to complete this work successfully.

Thanks are due to my friends of this Centre Drs. P.Ghosh, V.S.Bisaria, Subhash Chand, R.D.Tyagi and M/S R.K.Sachdev, V.Kannan, Deepak Jain and K.K.Bandyopadhyay for useful discussions and suggestions from time to time., My thanks are due to Dr. S.N.Mukhopadhyay of this Centre and also to Dr. Vinod Bihari of CDRI, Lucknow for their all time ready help.

M/S S.Sen Ray and V.K,Gho,sh deserve special thanks for all time prompt useful technical assistance while I appreciate willing assistance accorded by Mr. G.N.Sharma and all other supporting staff of the Centre.

Dr. Mary Mandels and Dr. E.T.Reesc of U.S.Army Laboratory, Natick, USA, and Prof. H.Sahm of Institute fur Biotechnologie, Julich, FRG are hereby acknowledged with gratitude for providing cellodextrins and HPLC analysis of bagasse hydrolysate sugars. M/S B.K.Soni, R/S SERC and S.K.Goel, R/S Chem Engg. are hereby thanked for their assistance in computer solutions of some equations used here. Finally I thank Shri R.N.Shukla for typing of the manuscript of this thesis diligently.

(P.S.Vishnoi)

CONTENTS
