CERTIFICATE

It is certified that the thesis entitled "STUDIES ON SOLAR PHOTOVOLTAIC-THERMAL(PV/T) SYSTEMS" being submitted by Ram Kumar Agarwal is worthy of consideration for the award of the degree of Doctor of Philosophy and is a record of bonafide research work carried out by him under our guidance and supervision. The results contained in this thesis have not been submitted in part or full to any other university or institute for award of any degree or diploma.

ACKNOWLEDEMENTS

It is my great pleasure and privilege to express profound indebtedness to my supervisors Prof. H.P. Garg and Dr. A.K. Bhargava for their unstinting guidance, encouragement and stimulating discussions as a consequence of which the present study reached fruition.

I wish to express my deep sense of gratitude to Dr. D.S. Hrishikesan for his unfailing help at all stages of this work.

Deep sense of gratitude is expressed towards Prof. M.S. Sodha, Prof. K.L.Chopra, Prof. P.D. Grover and Prof. S.C. Tripathy who always took interest in my thesis and encouraged me.

My sincere thanks are also due to Prof. N.K. Bansal for his kind inspiration and stimulating discussions.

I wish to appreciate the co-operation extended by Dr. Ram Chandra, Dr. V.K. Sharma, Dr. S.N. Garg and Dr. J.C. Joshi to carry out this research work.

I am thankful to Dr. (Mrs.) C. Choudhury, Mr. Sanjay Sharma, Mrs. Ranjana Jha, Ms. Ratna Verma, Mr. Rakesh Mishra, Mr. A.K. Trisal, Ms. Anice M.C, Mr. Y.P. Singh, Mr. Kunj Bihari and Mr. Ram Niwas, the members of my laboratory.

I feel obliged towards Mr. Sanjay Singh and P.K. Sharma.

It gives me a great pleasure to appreciate the co-operation extended by the faculty members, technical

staff, computer service centre staff and my friends during this work.

I do not have words to express my deep sentiments towards all members of my family for their unending moral support during the course of this work.

Finally, I would also like to thank the Department of Non-Conventional Energy Sources (DNES), Govt. of India and The Indian Institute of Technology, Delhi for providing me the financial support and research facilities.

(R.K. Agarwal)
